Adoption Referral Service for Foster Dalmatians

DALMATIAN PERSONALITY PROFILE

NOTE: If you list a dog with the Save the Dalmatians' Adoption Referral Program it does not mean that we will be able to take your foster dog or necessarily place it immediately. We will list your dog on our web site for a period of one month, and also on other web sites and in the newsgroups on the Internet **provided your dog is spayed/neutered and not aggressive**. Therefore, it is important that you be as honest and complete as you can when filling out this form. **Please complete this form and return it to:**

To help the Save the Dalmatians Adoption Referral Program in its efforts to find a good home for my foster dog, I agree to include one or two pictures of my foster dog with this form. Photos will not be returned.

I certify to the best of my knowledge that the above information is true and accurate. I have not withheld important or pertinent information that would influence placement of this dog. I understand that Save the Dalmatians and its volunteers cannot personally inspect potential adopters' homes and it is my responsibility to determine if any adopters I am referred to or who contact me are able to provide the level of care I require for my foster Dalmatian. I will not hold the Save the Dalmatians and Others Canine Rescue, Inc., or any of its officers and volunteers responsible in any way for any problems or losses resulting from any adoption.
